

The Summer Stack Challenge

Dear New 5th Grader,

Welcome to the Summer Stack Challenge, an independent reading challenge! Here's how it works:

Your goal is to read all of the books from the categories listed on the next page. Print out the reading Log and the Category list. You will check off one of the boxes each time a book is read. After checking off a box, it's time to add to... the Summer Stack!

1. After Checking off the box on the categories list, Record the title and book type on the chart attached.
2. Bring your list on the first day of school. We will start constructing your personal stack from your reading list!

You will get to try some different types of books that you may not have read before, and all the while have fun keeping track of your reading! Happy stacking!

Sincerely,

Mrs. Albert

The Summer Stack Challenge

Category:

- 2 informational books on the same topic
