AFFIDAVIT OF ACTIVE PARISHIONER STATUS  
SCHOOL YEAR 2020-21

Under Diocesan School Policy P5130, active parishioners from a parish without a school who send their children to a Catholic school are to receive the parish rate tuition. The sending parish is responsible for making up 75% of the difference between the parish rate of tuition and the per pupil cost at the receiving Catholic school. In order for a family to be eligible for the parish rate of tuition at Saint Joseph Grade School, this form must be filled out and signed by the pastor of the sending parish. By signing this letter, the pastor is assuming responsibility for paying to Saint Joseph Parish 75% of the difference between our parish rate of tuition and our per pupil cost. A bill will be sent to the sending parish by September 30, 2020. If the sending parish has not made arrangements for remitting this sum to Saint Joseph Parish by December 1, 2020, the family will be responsible for paying the full non-parishioner tuition.
