

Saint Joseph Preschool Infant/Toddler Program

Program Description

The Infant/Toddler Program serves children ages 3 months to 3 years. Our program has an infant classroom for children aged 3 months to 1 years of age and two toddler classrooms for children aged up to 36 months. It is staffed with trained teachers who are early childhood experts on developmentally appropriate practices following the HighScope curriculum for infants and toddlers. The program is licensed through the State of Indiana, with appropriate adult-to-child ratios depending on children's ages. The program is a ten month program that operates on the same schedule as Saint Joseph Grade School.
