

Dear Families of 6th graders~

WELCOME TO JUNIOR HIGH!!!!!!

Summer math work for your incoming 6th grader will be assigned using Khan Academy. Please follow the instructions listed below to access the lessons that I have assigned.

Also, please know that these lessons will not be graded, nor will credit be given, when the school year begins for those students that complete them. However, I highly suggest that the assigned lessons be worked on to help prevent the “summer regression” that often occurs.

If there are any problems or trouble logging in to Khan Academy, please send me an email.

Have a great rest of the summer!

~Mrs. Snavelly

INSTRUCTIONS FOR KHAN ACADEMY LOG-IN

1. Log in to a computer using your St. Joseph Grade School account. (If you are new to St. Joe, please let me know so I can make sure your account is activated.)
2. Using the internet browser, go to khanacademy.org
3. Choose the “login” button in the top corner of the screen.
4. Choose the “Continue with Google” button in the middle of the screen.
5. Go to the tab on the left hand side that says “Assignments.” All the videos and exercises will be posted in this spot.

****Please know that I may have to accept the request to join the class or post the assignments to your account, so I will be checking each morning to make sure this is correct.
